

YPPT projects kick off at Aboyne Lodge and The Purcell School

YPPT is running two projects in 2014-15: Year 6 at Aboyne Lodge School in St Albans will be producing two Russian folk tales, *Baba Yaga* and *The Stolen Turnips*, while The Purcell School will be performing *The Soldier's Tale* with pupils from Year 7 to Upper Sixth. Both projects are well under way, with heads, hands and feet as the focus for the first few weeks before putting the marionette bodies together and working on the costumes.

YPPT and Sculpture Workshop

We are delighted to be working with Richard Austin of Sculpture Workshop, who provided the head shapes and clay for this year's marionettes. Using his creative formula, the pupils have created some great characters!

YPPT website

The YPPT website and social media sites are now live! Follow us on Facebook and Twitter for updates on our projects:
