

Young People's Puppet Theatre

September 2015

www.yppt.org.uk

Heads, hands and feet underway!

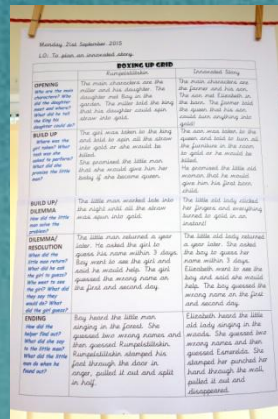

Our projects for this year are well underway, with over 350 marvellous marionettes in the process of being made by Y6 students across the home counties. Some great characters are emerging.

Literacy links

YPPT projects offer rich opportunities for links to the national curriculum particularly in literacy. Here are some great examples of work by students at Orchard Meadow School in Oxford who are developing their vocabulary using the script from their project.

| Vocabulary | Definition |
|----------------|---|
| Milky | Someone who works in a mill and makes flour. |
| Beautiful | Someone who always chatters in front of people. |
| Selfish | Someone who only cares about themselves. |
| Vain | Someone who admires themselves. |
| Protective | When someone is very caring and wants you to stay safe. |
| Spinning wheel | A machine with a wheel that makes cotton and thread. |

Booking now open for 2016-17!

The YPPT is now taking bookings from primary schools for Y6 projects starting in September 2016. For more information on what a project entails, please visit our website at www.yppt.org.uk or contact the Administrator on 07914 830730 or by email at admin@yppt.org.uk
