

Puppets on the move

As our first schools head into rehearsals, the puppets are taking their first steps! Each class has at least one session focussed entirely on the basics of puppetry, including learning to make the puppets move their heads to look at each other, to move their arms, to walk, to sit and to bow, as well as to show emotion through how the puppet moves – not an easy task by any means, but we've seen some impressive work already!

Last chance for 2016!

If you'd like your school to be involved with the YPPT in 2016-17, please get in touch with us as soon as possible using the details below. We're particularly keen to hear from schools in the Cambridge, Canterbury and Brighton areas, but are happy to hear from any interested schools!
